Frankfort Boy Enters Heifer In Dairy Show

Allen L. Rasmussen, 11 years old, of Frankfort, will show a junior yearling Milking Shorthorn heifer in the junior competitions of the coming International Dairy show which is set for Oct. 8 thru 15 in the amphitheatre of the Chicago stock yards. His heifer, Orchid Queen, was grand champion at the Will county fair.

A week jam packed with interest for both city and rural folk, will bring farm producer and city consumer together. A colorful parade on downtown State street will spotlight milk and dairy foods Saturday, Oct. 8. During the 8 day event, top show strings of dairy purebreds from 22 states and Canada will compete for \$40,000 in premiums.

Daily demonstrations of cooking featuring dairy products will be held in a dream kitchen where winners in the \$25,000 golden dairy recipe contest will show their prize recipes. The 15 acres of floor space in the Amphitheatre and its new annex will be filled with farm and dairy equipment exhibits as well as dairy foods displays. Chicago radio stations will broadcast farm shows direct from the building.

The International world's championship rodeo will perform every evening starting Friday and on four afternoons. The International Quarter Horse show will have both halter and cutting contest classes for some of the country's top specimens of this practical horse.

Top 4H club youngsters from 15 states will visit the show and Chicago dairy processing plants for the first annual 4H Dairy Conference and tour.

50th ANNIVERSARY

Open house to observe the golden wedding anniversary of Mr. and Mrs. W. D. Roberts will be held Sunday afternoon, Oct. 2, in the VFW hall from 2 to 5 o'clock. All friends and relatives are invited to call and visit with this couple.

25th ANNIVERSARY

This Saturday evening Oct. 1, Mr. and Mrs. Edwin Benson, of Kankakee, formerly of Mokena will celebrate their 25th wedding anniversary in the VFW hall in Mokena starting at 7 o'clock. The couple invite all their friends and relatives to join them on this occasion.

CHICKEN SUPPER

The St. John's Evangelical and Reformed church at Green Garden will serve their annual chicken supper in the church parlors Thursday, Oct. 6 starting at 5 o'clock. Tickets will be sold at the door. The public is invited.

Experts foresee in today's expanding demand for aluminum a market for an additional 66,000,000 tons of coal as electric power over the next 20 years.

Seeking International Honors

Since this picture was taken of Orchid Queen and her owner, Allen L. Rasmussen of Frankfort, the Queen has filled out a bit more and is ready for tough competition ahead in the International Dairy show to be held in the Chicago stockyards amphitheatre, Oct. 8 - 15. Orchid Queen was acclaimed 1955 grand champion of the Will county fair and at the Kankakee county fair. She has scored four times as junior champion, and has won first place ribbons in her class. The Queen is a Milking Shorthorn, and is now 21 months old and weighs a becoming 1100 pounds.

Student Clubs Part of Lincoln-Way Program

Students at Lincoln-Way have begun their club and activity program by registering for approximately thirty clubs and activities which are included as a regular part of the school program at Lincoln-Way. This phase of the work there was given special attention in the recent article by Francine Richard in the Illinois Education magazine.

This extensive program of activities is made possible by having two short periods set aside in the schedule each day. Most of the clubs at Lincoln-Way meet during the activity period, 10:18 to 10:40 a.m. Students who do not have club meetings use this time as a study period. This is also true of the thirty minute period at the end of the day which is used for such activities as speech and dramatics, athletics, GAA and music activities.

In her article, Miss Richard pointed out that probably one reason for the high interest in club work is due to the fact that many of Lincoln-Way students have been denied opportunity for this type of activity when they had to commute to other high schools. Clubs which have been organized at Lincoln-Way include the following: Cheerleaders, Dramatics (Jr. and Sr.), Dramatics (Fr. and Soph.), Camera club, Student Council, FFA, Latin club, model club, Spanish club, Future Nurses association, Industrial Arts, Future Business Leaders of America, Future Teachers of America, Phi-Chem association, Science club, History

club, Future Homemakers of America, Projectionists, Lettermen, Newspaper, Pep club, Yearbook, Debate, Math club, Boys' Glee club, GAA, and Riding club. Other clubs will be formed as the interest seems to indicate a need.

The activity period on Wednesday is spent in group guidance meetings for all students. In these groups the students have a chance to discuss personal problems or school problems that might not be covered in their regular classes. This is noncredit activity and no grades are given so the students feel free to express themselves. In some cases these guidance groups have reported items to the Student Council which has been a channel of communication between students and faculty in improving the activity program.

In keeping with modern education theory, these activities are considered to be an important part of the education for each student and have been made curricular rather than extra-curricular. Since the clubs were not provided with any funds to finance their programs, they have had the problem of raising money for their activities. Last year the various activities at Lincoln-Way earned over \$12,000, which is an example of the interest and enthusiasm stimulated in these clubs. However, as money making is not considered an end in itself but simply a means of permitting the students to learn how to plan and carry out a worthwhile activity.

Will Discuss Hickory Creek At Mass Meeting

The question of devising a workable, yet economical method of providing flood controls for Hickory creek is to be discussed Tuesday night at a meeting to be held in the auditorium of the Joliet township high school.

Mayor John Scarth of Mokena and Mayor Lloyd Berlin of New Lenox are scheduled to attend this meeting and it is expected there will be delegations from both towns there too. Both village heads have attended preliminary conferences and are members of the steering committee on flood control of the Joliet Association of Commerce, which held a meeting last night to work out details for Tuesday's meeting.

Gov. Stratton has been invited to be at the meeting Tuesday night as have other top drawer officials, including engineers and Senator Lott Holman O'Neill. Speaker Warren Wood, and Representatives Francis Loughran and John King are expected to be on hand.

Hickory creek has been a problem not only in Joliet but in New Lenox and the Mokena area as well. Heavy rains cause flash floods with resultant overflows and this is bad for house-holders because the waters of Hickory creek carry raw sewage. By state law Hickory creek is exempted from the list of streams in which the dumping of raw sewage is banned.

In Joliet, Hickory creek has been an issue in numerous municipal elections, including the one last spring. The meeting to be held Tuesday was conceived by Mayor James Hennessy of Joliet, and he is to preside at the session.

New Lenox has suffered considerable flood damage from Hickory creek in the past. The stream rises east of here and is fed by many drainage ditches. The fact that so many subdivisions have been built up adds to the problem. Areas that formerly drained slowly are now crisscrossed by tile lines and sewers and the process is speeded up to the point that the water now flows into the creek in torrents when rains are heavy or prolonged.

To provide adequate flood control will be a costly process, engineers have said in the past, and would be too much of an expense for municipalities to bear alone. For many years now an effort has been made to get state help in the matter but so far the endeavor has been unsuccessful.

A bill was passed giving state help on the project when Adalair Stevenson was governor but he vetoed the measure.

Roller Skating At Frankfort School To Begin Tuesday

Roller skating at the Frankfort grade school is to begin next Tuesday evening, Oct. 4. There will be two skating periods, the first beginning at 6:30 and the second at 7:45. The doors will be open at 6:15 for the first period. Those skating at the second period will not be allowed to enter the building until 7:30 p.m.

The first period has been set aside for children through the fifth grade. Youngsters who skate in this first period, unless accompanied by a parent, must leave the building by 7:45 p.m. No child skating in the first period will be permitted to skate during the second period.

The second period will run from 7:45 to 9:30 p.m., and is for children in grades 6, 7 and 8, and adults.

Benjamin Hyink, Dies Suddenly Palos Resident,

Benjamin F. Hyink, 66 of 11940 Laurie ave., Palos Park, died suddenly in his home Saturday afternoon.

Mr. Hyink who was born in Chicago Oct. 6, 1889 moved to Palos Park when he was seven years old. In his early life he took a great interest in the life of the community and eventually served as police chief for 20 years.

Surviving are his widow, Agnes, nee Bruck; a son Byron; daughter, Mrs. Rosebud L. Griswold; five grandchildren, two sisters, Mrs. Ida Mahaffa, Palos Park and Miss Cora, Mokena; three brothers, William, Frank and Henry.

Funeral services were held Tuesday afternoon in the Palos Park Presbyterian church with the pastor, the Rev. John W. Duboc officiating. Burial was made in the Oak Hills cemetery in Palos Park.

District Governor To Address Mokena Lions Club Oct. 6

Don Wennlund, district governor of Lions International will be the speaker at the next meeting of the Mokena Lions club when they meet Thursday evening, Oct. 6. The place will be the Lincolnwood Drive-In restaurant at 7 o'clock.

Mr. Wennlund is not a stranger to the local club but this will be the first time he has been a speaker at the club. The speech he gave at the instituting of a new Lions club Sept. 20 in Plano, was received with much praise.

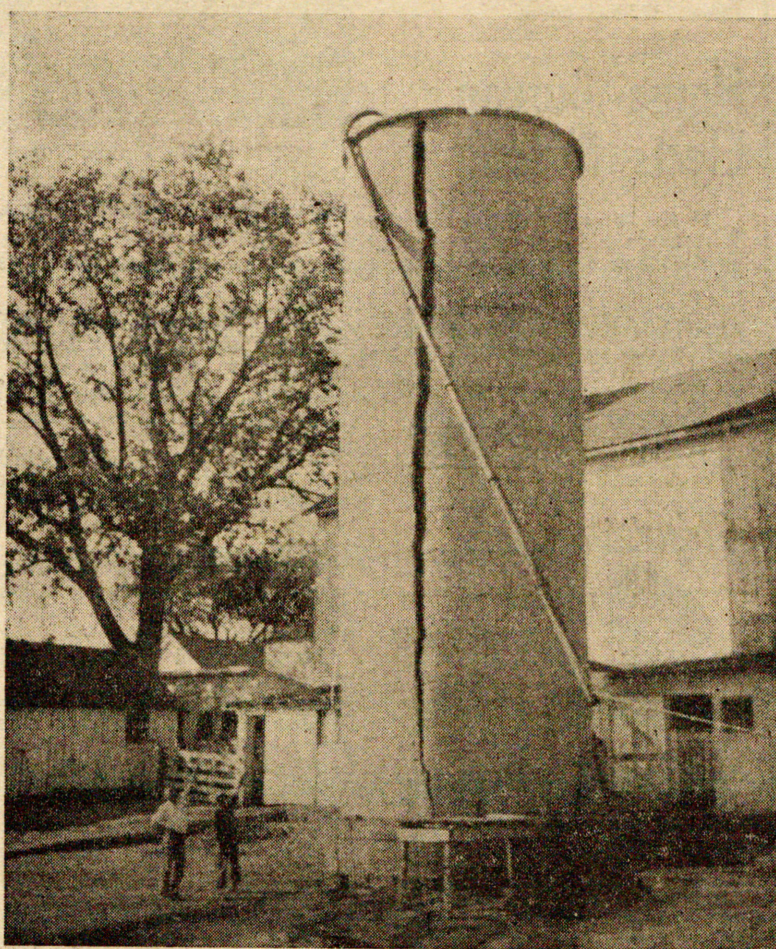

The Mokena club is in the midst of a 100 per cent attendance contest and the officers are urging every member to attend this meeting as well as all subsequent meetings.

Walter Spiewak, chairman of the Boys and Girls committee report having ordered swings and benches for the Tot's play ground. This committee consisting of Lions Bill Blaha, Bert Janner, Al Sorensen and Jim Wrath are planning a girl's night which will include all girls from 6th grade through high school. The date will be sometime in November.

President Ray Westlund has appointed Bill Blaha, Fred Lehman, Walter Spiewak and Jim Wrath on a committee to meet with the Civic association to discuss homecoming next year and to request the village board to adopt a Planning commission. This evening, Sept. 29 will be the regular monthly paper and scrap drive by the Lions.

Since the Volos region of Greece was hit by a devastating earthquake in late April, the American Junior Red Cross has shipped 15,000 gift boxes and 25 cases of school supplies to children in that area.

Crack Dooms Silo

Last week a crack appeared in a concrete silo on the Arthur Geuther farm, Route 45 and St. Francis Rd., Frankfort township. Within the next three days the crack grew from a line to the size you can see in the picture and at the same time another crack developed on the other side, thus setting up a dangerous situation. Arthur Eggert, the tenant, immediately posted signs to warn the curious against coming too close in case the walls should suddenly collapse. Work on dismantling the silo is now underway. Farmers in the area say that this is the first time they can recall that a cement silo has broken. The cause has not been determined.

Shown here looking at the damaged silo are Mr. Eggert (left) and his father-in-law, Ernest Lehnert of Manhattan.

Adult Classes Begin Tonight At Lincoln-Way

Tonight from 6:30 to 9:00 at Lincoln-Way high school adults will enroll for evening classes. According to school officials early interest has indicated a heavy enrollment in these classes. It will be possible to register for the classes at the high school during the regular school days until the first class meeting.

However, persons who want to be assured of being able to attend should make it a point to register early, it was pointed out. This is particularly true for the class in clothing construction, which may have to be limited since the facilities available determines the number that can be handled in this course. Last year this was one of the most popular courses and it will be again taught by Mrs. Florence Butler, assisted by Miss Marilyn Doubet, new home economics teacher.

An evening school bulletin was mailed out recently describing the classes offered. The list includes courses in agriculture, art, business, education, first aid, home economics, industrial arts, photography, psychology, and speech and dramatics.

All of these courses will be taught provided at least eight students register for each class. It has been the policy of the Lincoln-Way school board to meet the needs and wishes of the adults in the community as fully as possible. In case a group desires some course not offered, it should get in touch with Ralph E. Wright, director of adult education at Lincoln-Way and an attempt will be made to set up the course if an instructor can be obtained. The tuition for each course is \$10. Checks should be made out to Lincoln-Way Community high school. Tuition will be refunded if an insufficient number of students register for each class. For any further information, one may call New Lenox 2051.

Home Bureau Elects Officers For 1955-56

The Frankfort - Mokena Home Bureau met last Tuesday in the home of Mrs. Louis Holm with 11 members present. Officers for the past year were re-elected for the coming year who are: Mrs. Lawrence Kohl, president; Mrs. Elmer Bormet, vice president; Mrs. Henry Luplow, treasurer; and Mrs. Ramon Westlund, secretary.

The major lesson on foods, facts and fancies was given by Miss Mary Carson, assistant home advisor. Mrs. Fred Piepen-

Riding Club At New Lenox To Give Show Sunday

The second annual gymkhana, a play-day on horseback, will be held in New Lenox Sunday, Oct. 2 on the grounds of the old ball diamond, half mile west of the village. It is being sponsored jointly by the New Lenox Riding club and the New Lenox Sportsman club. In case of rain the show will be held Sunday, Oct. 9.

The New Lenox Riding club is the first to bring a gymkhana day to this part of the country. These days are popular out west on the open ranges where many people come from far and near. The first time it ever appeared in this part was last year, at New Lenox and proved most successful.

The meaning of gymkhana is explained so—gym meaning play and khana meaning horses,—thus horseback play day.

The show will open at 1 p.m. with a parade at the grounds which is promised to be most interesting. Following the parade, the events will begin among which will be:

An equipment race which is a contest to be won by the rider who gets his horse accoutered first; a cloverleaf barrel race where the horses weave in and out among several barrels.

A youth and child's parade will intersperse the events and is free to all who care to enter their pets and parade with them. Then there will be the clothing race; the English Pleasure class, using English bridle and saddle wherein horses will walk trot and canter; Western Pleasure Sr. group with riders over 15; and the Western Pleasure Junior group for riders 15 years and under.

Also on the program are: musical chairs, always interesting; a shoe race; a ribbon race and an egg race.

A special feature will be given by the New Lenox Riding club drill team with E. C. Olsen in charge.

There will be food, cold drinks and coffee available with the Sportsman's club in charge. Everyone is cordially invited to attend this event. Riders participating in the show will come from New Lenox, Manhattan, Joliet, Plainfield, Mokena, Frankfort, Orland Park and Tinley Park.

Red Cross volunteers during 1954 reported for duty at an average rate of one every eighteen minutes to assist in the collection of blood for civilian and national defense use.

Family night will be held this Saturday evening Oct. 1 in the home of Mr. and Mrs. Fred Piepenbrink in Frankfort.

Wreckers Finish Job And Salvage Contents

Here's One That Didn't Get Away

Sometimes one hears of a fisherman sending out a call for a man with a pitchfork to help him land a big one but Alvin Kohl of Mokena had to brace his feet against the thwart and hang onto his line with both hands until a man with a gun could be rounded up and sent out to shoot his catch before it could be dragged into the boat.

The fish was a 53-pound sturgeon, five feet in length, which he hooked in Yellow lake, near Webster, Wis., this week. It was a battle from the beginning and three and a half of the most exciting hours Kohl has had, were counted off before a gun-hot ended the struggle and he was able to boat his fish. During that period the big fish broke water 15 times.

Kohl, his wife, and Mr. and Mrs. John G. Bettenhausen, all of Mokena and George Brandon, of Joliet, have been spending the week at Yellow lake, fishing. News of Kohl's catch was relayed to Mokena by Mrs. Bettenhausen to her daughter, Jean, who has been spending the time with the William Bradley family.

Jean was frankly skeptical when her mother said that the fish was so big it had to be killed with a gun, but became convinced when Mrs. Bettenhausen said she was talking as an impartial observer and not as an angler or participant in the catch. Furthermore, Jean could see for herself when the monster was brought to Mokena. It is understood the fish will be smoked and eaten instead of stuffed and hung up to be looked at and collect dust.

Theodore Dunham, Mokena, Receives Boy Scout Award

Theodore Dunham, Mokena, a member of St. John's Evangelical church, has qualified to receive the God and Country Boy Scout award. Although the Boy Scout program does not include specific religious instruction, it does give strong incentives toward religion and collaborates heartily with every endeavor of the church to provide spiritual guidance to youth.

The God and Country award is not a merit badge in Scouting. It is an award of the church. Under it a scout must fulfill certain religious projects under the guidance of his own pastor, such as to be faithful in attendance at church and Sunday school; to give practical expression to his faith in service to his church; to practice daily devotions; become better informed about his church and be systematic in stewardship.

Scout Theodore Dunham will receive this award in the 10:45 service of his church Sunday, Oct. 2, with his parents, Mr. and Mrs. Ed. Dunham, participating in the ceremony of presentation. Members of the Mokena Boy Scout troop 40, and their Scoutmaster, Arthur Omland, will also be present as a group.

LINCOLN-WAY DANCE

The Band Boosters organization of the Lincoln-Way high school want to remind everyone that they are sponsoring a dance in the school gym Saturday evening Oct. 8 and invite everyone to attend.

Dancing will be from 9 to 12.

The proceeds from the dance is to help pay for band uniforms

Expect 300 at Wilrokee Division Dinner in Lincoln-Way Oct. 11

The Lincoln-Way high school board will be host to their colleagues from the Wilrokee division of the Illinois Association of school boards at the next meeting of the body - Oct. 11.

The Wilrokee division is made up of board members of the school districts of Will, Iroquois and Kankakee counties. Members have been invited to arrive early enough that they may go thru the building.

The Lincoln-Way board, faculty and students are proud of the new school and are always eager to show it to visitors.

Some 300 reservations have been made for the dinner that is to be served in the school

After 31 years of service in all kinds of weather than besets northern Illinois — including the wintry days in the middle of a hot summer and the sultry days in the middle of a cold winter—a concrete silo on the Arthur Geuther farm in Frankfort township has given up.

While it lasted less than one-third of the life of "The Wonderful One Hoss Shay", it's breakup was as sudden and as surprising as the collapse of the famous horsedrawn vehicle.

According to the poem about the shay the inference is there than an earthquake might have had something to do with the collapse—that and age and wear. There is no immediate explanation for the breakup of the silo. Some put it down as "wear and tear," and some talk about pressures and settling.

Move Silage But regardless of what caused the walls to break, break they did and as a result—the silo will have to be taken down and a new one erected. A new silo according to Arthur Geuther, will cost around \$1,400. And of course, the cost of tearing down the damaged silo so as much of the silage as possible can be salvaged is expected to be substantial.

Work on tearing down the old silo has been started and the silage is being moved to an empty silo on the neighboring George Beutel farm. Arthur Eggert valued the silage at around \$2,000. At lot of the juices have been lost which will lessen the value of the salvaged silage, it was said.

According to Mr. Eggert, the silo began cracking a week ago yesterday. His brother, Walter Eggert, of Tinley Park, was on top of the 40-foot silo as it was being filled. Silage was within a foot or two of the top when Walter saw a band of daylight where there shouldn't have been any. He came down immediately.

From the ground the men who had been filling the silo stood and watched the crack grow. By next day it had reached bottom and then another crack developed that by Friday morning had run from top to bottom and about a third of the way around from the first crack. This silo had a diameter of 14 feet.

Mr. Geuther said that when the silo was made, the concrete was poured over sections of hog-wire fencing. This reinforcing probably has been rusted away for sometime, Mr. Geuther said, causing the walls to weaken in spots and finally break under pressure. A 16-foot silo formerly stood on the same base, it was said.

The Alco Steel Service Co., of Joliet, has taken over the job now of dismantling the silo and salvaging the contents after several other firms had declined the job because of the risks attached. Sudden collapse of the standing walls could kill or injure workmen and damage nearby buildings.

Woman Faces Charge in Court

A resident of Lincoln Estates area, Mrs. Ruby Treash, 34, who was arrested by sheriff's deputies Sept. 19, is scheduled to appear before Justice of the Peace George Williams in Joliet tomorrow on a charge of disorderly conduct. She was arraigned Sept. 20 and Williams continued the case until Sept. 30. Mrs. Treash was arrested on a warrant based on a complaint made by Cora M. Nitkowski.

Drink of Fuel Oil Puts Baby In Hospital

A one year old child in Tinley Park is in a serious condition in the Little Company of Mary hospital at Evergreen Park as the result of drinking fuel oil. The child is Mark Oehmen, son of Mr. and Mrs. Robert P. Oehmen, 17127 Oriole st. The furnace, in the utility room, was leaking oil. Mr. Oehmen placed a pan beneath the leak to catch the oil until it could be repaired. In some way the child got hold of the pan Monday and drank some of the fuel oil from it. He became seriously ill and had difficulty in breathing. The Tinley Park inhalator squad was called as well as a doctor, who gave emergency treatment.

The child became unconscious and was removed to the hospital later and there placed under an oxygen tent. Dr. Martin Sacks of Evergreen Park is the attending physician. Pneumonia has developed and the youngster's condition is said to be serious. He is being fed intravenously.

The Oehmens have three other children and have lived in Tinley Park two years, coming from Chicago where Mr. Oehmen is employed as an accountant in the American Thread Co.

New Ruling Made On Social Security Covering Farmers

A farm landlord who makes arrangements—written or oral—for a tenant to operate his farm whereby each will receive a proportionate share of the crops or livestock, or the proceeds thereof, depending on the amount of the crops or livestock produced, is not covered by social security according to a recent ruling by the social security administration.

This ruling means that the farm landlord will not be liable for social security taxes on this type of farm income and that he will not receive credit for social security benefits. The farm owner must operate the farm in order to receive credit of his farm income toward social security.

In 1954 coal accounted for 50 per cent of the total fuel consumption by the American cement industry.

CAULKING GUN \$1.79
Handy all-metal caulking gun, with 3 tips. Uses caulking compound or cartridge.

Your Handy Helpful Hardware Man suggests: HOW TO CAULK AROUND A CHIMNEY

Homeowners know the kind of damage a leaky roof causes. By proper care, especially around the chimney, this troublesome condition can be eliminated. When caulking around a chimney use screen wire as reinforcement under the caulking. This will prevent caulking from pulling away from bricks to cause a leak. Screen wire is tacked directly to chimney and to roof and caulking compound is applied over it. Compound should be forced into the mesh of the screen. Hardware cloth may be used in place of screen wire.

Many other Handy Man Hints can be found in Popular Mechanics' "DO IT YOURSELF" books available at this store.

Vivian Osmus, Edward Nowels Say Vows at St. Jude's Church

Miss Vivian Osmus of New Lenox and Mr. Edward B. Nowels of Lockport exchanged wedding vows at a nuptial high mass held in St. Jude's Catholic church in New Lenox at 10 a.m. Sept. 17. The Rev. Dennis Hall, OFM, officiated. Vases of white gladioli decorated the altar.

The bride is the daughter of Mr. and Mrs. E. A. Osmus of New Lenox and the groom is the son of Mr. and Mrs. Edgar Nowels 720 E. 11th St., Lockport.

The soloist, Mrs. Harry Griffin, sang "Ave Marie," "Panis Angelicus" and "Mother Beloved" when the bride placed her flowers at the statue of the Blessed Virgin.

The bride, given in marriage by her father, wore a white gown of Chantilly lace over slipper satin with a fitted strapless bodice embroidered in tiny seed pearls. She wore a lace bolero jacket with tiny covered buttons, long sleeves and a Peter Pan collar. The skirt was ballerina length with a back of tiny net nylon ruffles to the hem. Her veil was elbow length caught by a headpiece of white Chantilly lace edged with seed pearls. Her only jewelry were pearl earrings, the gift of the groom. She carried a bouquet of white orchids and stephanotis.

Miss Susan Burns, maid of honor wore a turquoise crystal-embroidered gown with a large bustle worn over a hoop. The dress was trimmed in tiny lace appliqued flowers and rhinestones. The head piece was of coral gladioli and carried a bouquet of gladioli.

Mrs. Beverly Jansen, sister of the groom, bridesmaid, wore a

gown identical to that of the maid of honor in coral color. Bath carried white gladioli. The bride's mother wore a rose colored dress with pink and white accessories with a white 'mum corsage, and the groom's mother, aqua with pink accessories with a white carnation corsage.

Bernie J. Calcaterra of Joliet was best man and ushers were Leonard Osmus, Joliet, and Norman Jansen, Gary, Ind.

A wedding breakfast was served to the bridal party and the immediate families in the Lions Den in New Lenox. A four-tiered wedding cake topped with a miniature bride and groom with a center piece of white 'mums and gladioli decorated the table. Mrs. Fred Brown of Marley was the caterer.

At the reception, dance music was furnished by an orchestra in which the brother of the bride played, Gordon Osmus. When the couple left on a honeymoon the bride was wearing a charcoal gray suit with pink accessories and a white orchid corsage. After Oct. 1, they will make their home at 209 Plainfield ave., Joliet until their new home in Plainfield is completed.

Many pre-nuptial parties were given. Hostesses were Miss Florance Olsen, Mrs. Gordon Osmus, Mrs. Donald Osmus and Mrs. Leonard Osmus. Mr. and Mrs. Edgar Nowels, entertained in their home at a wedding rehearsal dinner.

Among the out of town guests was Miss Priscilla Senning of Tucson, Ariz., former New Lenox resident, and childhood friend of the bride who came by plane to attend the wedding.

township, is vice-president and Mr. Lyman McKean, North Palos, is treasurer. Regional vice-presidents are: Mrs. Robert Mailhiet, North Palos; Mrs. Clifford Aulwurm, Palos Park; Mrs. William Ruppert, Palos Heights and Worth; Mrs. Louis Meredith, Orland Park and Mrs. Donald Maue, Orland township.

Committee chairmen are: Mrs. T. W. Swanson, membership; Mrs. Garland Hoglund, budget and finance; Mrs. Lionel Gibson, program; Mrs. Edward Mell, social; Mrs. Joseph Granninger, hospitality; Mrs. Norman Martin, publicity; Mrs. Laverne Teason, health; Miss Emma Stigall, historian; Mrs. Harry Anderson, legislation; Mrs. O. V. Schmaedeke, scholarships; Mrs. John Blaha, student aid; Mrs. Wanda Brabanc, magazines and Mrs. Chester Williams, high school service.

The PTA theme for the year is "Getting Acquainted," and the program will afford information on the local, state and national levels. The functions of the various departments in the school will be explored, and there will be ample opportunity for parents to become acquainted with the instructors of their children, all of which promises a PTA year no parent will be able to resist.

Meetings are held in the school, 133rd and LaGrange Road, at 6 p.m., on the third Thursday of every month. Faculty members or their wives will assist in serving during the social hour following the business session. This year, as last year, a college scholarship for a Sandburg senior will be a main concern for the PTA.

TO FORM PTA UNIT

The Mother's Community club of the Kirby school, Dist. 140, will meet Oct. 4, 8 p.m. in the school for an important meeting. Mrs. Edward Pettijohn, director for District 19, Illinois Congress of Parents and Teachers, will again be present to assist the club with further information in the procedure necessary to organize a unit in the ICPT. A formal vote will be taken on this question Oct. 4. All interested mothers of children attending this school are invited to be present.

ORLAND PARK PTA

The Parent Teacher Association of the Orland Park elementary school will hold its first meeting of the school year Wednesday, Oct. 5, at 8 p.m. in the school library.

The organization's theme for the year is "Your Child, Your School and You." At this meeting, parents will have the opportunity to meet their school board, the school principal and members of the teaching staff. A tour of the school facilities is also planned.

Arrangements for the meeting have been made by the program committee consisting of chairman Mrs. Roy Loebe, Mrs. Hans Bader and Mrs. Linde Lee Moody. A business meeting will precede the program.

A social hour will conclude the meeting with refreshments served by the members of the PTA board which urges all parents to "come and meet your child's teacher!"

Junior Woman's Club At Orland To Sponsor Dance

At a special meeting of the Orland Park Junior Woman's club held at the home of Mrs. Frank Bischoff, Friday afternoon, plans were made for a fall dance. Mrs. George Schilling and Mrs. Robert Johnson were hostesses at this meeting, which was the first of the new season.

The dance will be held Saturday, Nov. 5 at the beautiful recently opened Homewood VFW hall. All are cordially invited to attend. Mrs. George Schilling will be chairman of the dance committee. She will be assisted by Mrs. Robert Johnson. Mrs. Franklin Loebe will be in charge of ticket sales.

Esther White Becomes Bride Of Chicagoan

Miss Esther White, daughter of Mr. and Mrs. Errol White of Lockport, was united in marriage with Gerald Calvin Schoenrad of Chicago on Sept. 3, at a four o'clock ceremony in the Marley Community church.

Rev. Herschel Aseltine performed the double ring ceremony before an altar banked with bouquets of pastel flowers mixed with white gladioli and candelabra. Mrs. Edward Sproat accompanied Mrs. Joan Hollister who sang "I Love You Truly," "Because" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a floor length white Chantilly lace gown fashioned with a fitted bodice and long tapered sleeves. Tiny seed pearls and pearl sequins accented the stand-up collar. The tiered skirt had an inset of permanent pleated nylon net. Her finger-tip veil was caught at the top with a crown of seed pearls and sequins. Her colonial bouquet was of shattered white carnations mingled with delicate pink gerberas. She wore pearl earrings, her only jewelry.

The bride's attendants were Miss Lois Kramer of Orland Park, maid of honor and Miss Priscilla White, bridesmaid. They were dressed identically, wearing ballerina length gowns of iridescent blue taffeta, made princess style with bolera jackets. They wore matching headpieces with short veils and carried colonial bouquets of yellow daisies.

Sharon Tilsy, niece of the bride, was flower girl. Her floor length dress was of white nylon lace and net. She carried a nosegay of pink gerberas and wore a matching headpiece. Larry White, nephew of the bride, was the ringbearer. He carried a white satin heart shaped pillow edged with nylon lace.

Max Schoenrad of St. Louis, Mo., served his brother as best man. The usher was Charles Sharp of Logansport, Ind.

For her daughter's wedding, Mrs. White chose a navy dress with matching accessories. Her corsage was of pink carnations. Mrs. Carl Schoenrad of South Bend, the groom's grandmother, wore a black dress, with a corsage of white carnations.

Following the ceremony, a wedding dinner was served in the church dining room to 125 guests. Mrs. Eleanor Golden of Tinley Park, served the wedding cake. Mrs. Everett Creer presided at the punch bowl and Mrs. James Tilsy at the coffee urn.

When the young couple departed on their honeymoon trip, the bride was wearing a beige suit with black accessories, and a corsage of red roses. They spent two weeks traveling through the southern states to New Orleans and are now at home to their friends at 1312 E. 73rd st., Chicago.

Woman's Club Prepares For Years Work

September on a clubwoman's calendar means preparation for the year's work. Round table discussions are held by the 3rd district IFWC with that thought in mind and interesting reports of last week's meetings were given when fourteen members of the executive board of the Tinley Park Woman's club met with Mrs. Voris Miller Thursday.

Programs and projects were planned that will be rewarding to everyone throughout the year, among them a film to be shown at the October 26 meeting on what's behind "Approved by Good Housekeeping Institute." Mrs. Miller and Mrs. Lewis Shawver were guests of the Lansing Woman's club Monday.

BREMEN VFW AUXILIARY

A short business meeting of the Ladies Aux. Bremen Post VFW No. 2791 was presided over by president Gladys Elliott, after which refreshments were served by social chairman Marge Klepper and hostess Jeanette Sullivan.

A school of instruction for officers and members is to be held tomorrow, Sept. 30, at Greater Pullman post clubrooms at 10935 So. Michigan ave., Chicago. Gladys Elliott, Vera Nordhoff and Bessie Seeley plan to attend.

Eleanor Larimore and Ida Haber assisted at post game night, Wednesday, Sept. 21.

Etta Wolf, Bessie Seeley, Gladys Elliott and Ann Wagner attended a farewell party at Hines-Vaughn hospital Tuesday, Sept. 20. The party was in honor of Mary Zamzow who is retiring after serving as chairman for the past 10 years. Gladys Elliott and Michalina Ewers attended a special meeting at the hospital concerning a uniform Christmas gift for the patients this year. A donation from the Auxiliary was made to this project. Mrs. Ewers also reported a donation of books by Mrs. Aden.

There are many items the patients need and if anyone has old books or magazines, or phonograph records they would be appreciated. Contributions may be left at the VFW post club rooms. Matilda Steinhagen, Gladys Elliott, Bessie Seeley, Eleanor Larimore and Michalina Ewers worked at Hines hospital during September. The Auxiliary march

ing unit won a blue ribbon for participating in the "I am an American Day" parade at Oak Forest Sept. 18. Vera Nordhoff, Bessie Seeley, Gladys Elliott, Ruth Rump and Helen Mott comprised the unit.

Mrs. Mae Pannozzo, Mrs. Ann Ficker, Mrs. Audrey Pannozzo and Mrs. Gallagher were hostesses at the Teen Canteen recently.

A rummage sale is planned for Saturday, Oct. 8. Pickups will be made if desired by calling Mrs. May at KE 2-4955. A Smorgasbord has been planned for Sat. Oct. 15th. Etta Wolf is chairman of this affair and urges everyone to circle the date on the calendar.

The American Red Cross thru its blood program, started in 1948, has collected more than 14 million pints of blood for civilian and national defense use.

Eagles Win In Conference Opener, 22-7

The Carl Sandburg Eagles have won their opening conference football game, rolling up a 22 to 7 count over Evergreen Park and now occupy a position at the top of the standings of the Southwest Suburban circuit, along with Revis and Oak Lawn.

Except for one drive when Evergreen Park scored a touchdown and made the extra point for its total scoring for the day, the Eagles were in command all the way.

Sandburg received on the opening kick-off. Eight plays later the Eagles had scored, Kaehr lugging the ball for the final yard. Partoll carried for the extra point.

On the first play of the second period Evergreen punted out to mid-field where Partoll took the ball, reversed his field and went winging along the sideline for a touchdown, thanks to key blocks thrown by Flavin and McBurney. The extra point was missed and the Eagles led 13 to 0.

Evergreen Park scored near the end of the first half on a 37-yard drive.

A fumble on the goal line in the second half by Evergreen resulted in a safety giving Sandburg two points on a safety and the score was 15 to 7. After an exchange of punts Sandburg started a march that covered 75 yards - 30 yards on penalties - for its final score, Blaha counting on a one-yard plunge. Dumney carried the extra point so the final score was Sandburg 22, Evergreen Park 7.

The Eagles scored one touchdown that was nullified by reason of an offside.

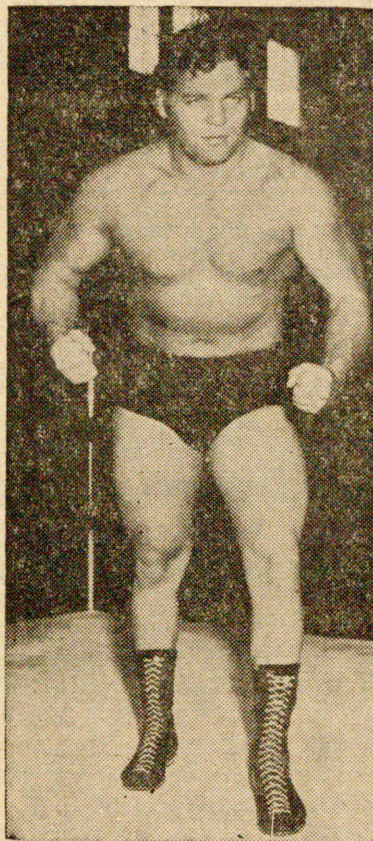

The Sandburg line performed exceptionally well.

Gal Groaners on Lockport Card

Two of the finest gal wrestlers in the country will open the Lockport mat season Tuesday night in the high school gym, Oct. 4.

Rose Roman and Shirley Strimple will be out to nail down laurels as the fall grappling season gets up steam.

Tall, Venus-like Shirley, who packs a lot of curves inside her leopard skin wrestling tights and a lot of power outside, intends to add a lock of La Ro-

man's brown hair to her already bulging trophy case of beauty cups and wrestling prizes. A few strands from arch-rival Rose's scalp would be her most treasured prize, she says.

Red-hot Rosie is concerned with her shot at the crown. Knocking off the widely heralded Shirley would sky-rocket her title stock, it says here in the script.

The Jaycees have paired the two from a hair-raising showdown.

In what promises to be a wild co-feature, the Canadian title holder, Lightning Roy McClarity, will take on towering Angelo Poffo, the rapidly rising young grappler who explodes in streaks of meanness and mayhem whenever he gets roughed up.

Young Len Rossi and mat scientist Billy Goetz will tangle with Jerry Woods and Jack Allen in the tag match.

Tickets are on sale at Volz News Depot, Seltzer and Rexall stores in Lockport, Stillmans and Musser's in Joliet and in Lemont at Strands. Student tickets will be sold at the door.

Bremen Braves Improve; Beat Wilmington 27-0

Bremen high Braves trounced an outclassed Wilmington eleven 27-0 in a non conference tilt on the home field last Friday, Sept. 23.

In the opening quarter Rich Hopman, Bremen back, tallied from three yards out to climax

a 29 yard drive. Don Banick, Braves signal caller, counted the extra point.

Second period play found the Braves twice deep in enemy territory, but they failed to capitalize on their scoring opportunities. At half time the score was 7-0.

Early in the third quarter Banick riled a 25 yard pass to Hopman for Bremen's second touchdown. Minutes later Stelmach carried the ball 26 yards to the Wilmington four. Hopman hit the line for a one yard gain, and Stelmach tallied on a line plunge. With Hopman counting the extra point, Bremen held a commanding 20-0 lead.

A pass interception and 70 yard run by Frank Warszalek accounted for the Braves' final TD. Bill Lindsay contributed the point after touchdown.

Fleet Bremen back, George Stelmach five times crossed the nmy goal line only to have four runs nullified.

Bremen faces Carl Sandburg in a conference clash at Orland Park tomorrow.

Knights to Meet Evergreen Park In Twin Bill

Lincoln-Way high school football team will be host to Evergreen Park in a Southwest Suburban conference game tomorrow night. The tilt will be played under lights at Manhattan, the home field of the Knights.

The Frosh-Soph tilt is scheduled to get underway at 6:15 and the varsity contest is expected to start at 8 o'clock.

Coch Lashmet of the Knights is encouraged, despite a shutout at the hands of Reavis last week. He has a comparatively green team and a thin bench but expects the outfit to improve. His players display a fine spirit and plenty of fight.

While the Knights lost to Reavis 10 to 0 the victors were unable to score until the second half.

Evergreen Park is playing its first year of varsity football and last week lost to Carl Sandburg. Lincoln-Way has been handicapped somewhat by illness and injuries. Ron Studicki, a regular back, and Folkers, a tackle, who have been out, are still expected to be sidelined tomorrow night.

The Carl Sandburg frosh-soph grid team was blanked by Evergreen Park in a game last Saturday morning.

Evergreen scored three times in the first half and once in the last half.

One of the victors' touchdowns was scored with an assist by a Sandburg man who tried to intercept an Evergreen pass. He got just enough fingers on the ball to tip it into the hands of an Evergreen receiver in the end zone.

Next Saturday morning the Sandburg frosh-soph aggregation will be hosts to Bremen. Game time is 9:30.

Educational TV Station Seeks Viewers Opinions on Programs

Plans for viewer evaluation of WTTW programs were announced as the station began its two-day-a-week schedule of test programs on Channel 11 last week. Test shows will be aired from 4 to 10 p. m. every Monday and Friday.

Renslow P. Sherer, executive vice-president of the Chicago Educational Television association, and Dr. John W. Taylor, station director, discussed the establishment of a program advisory council on "Through the Window", WTTW's 9 p. m. show designed to keep the public informed of Channel 11 plans and progress.

Purpose of the council, they explained, is to enable Channel 11's "stockholders," the more than 300,000 individuals, organizations and corporations who have helped to get the station on the air, to register their opinions of programs for the guidance of the station's program staff.

Meetings of the council will be held four times a year, they said, with the first one tentatively scheduled for November. Meanwhile, questionnaires will be distributed to viewer groups, who will mail them back to the station.

Nucleus of the advisory council is 200 Channel 11 chapters throughout the Chicago area. Program questionnaires were mailed to representatives of each chapter -- and many of them

set up viewer groups for the first program day. The chapters were established in the spring of 1953 to aid in the financing of the station.

In addition, invitations are being extended to city and county PTAs, schools and colleges, educational, cultural and fraternal organizations and business and industrial groups.

A pilot school project has been set up at Winnetka, where three public elementary schools, a junior high school and a high school are cooperating. Using these schools, a system will be developed thru which students can express their opinions of the programs designed for them.

"This opinion research project is one of the most important jobs the leaders of community groups will undertake," Mr. Sherer told the audience. "Through this survey WTTW will have a unique means of keeping in touch with its stockholders. Our programs will be under constant scrutiny, and your opinions will be seriously weighed in programming decisions."

Dr. Taylor added: "If together we can develop a workable system we shall have something unique in television -- a station in close touch with its audience by means of organized groups in two-way advisory relationship with its staff."

Tips on Touring

By Carol Lane
Women's Travel Authority

Music-minded motorists will find much to delight their ears when they go vacationing this summer. In outdoor amphitheaters, bowls, arenas and stadiums throughout the United States, many of America's best artists will fill the night with music, drama and spectacle. Travelers are expected to flock by the thousands

to operas, symphonies, musical comedies, operettas, popular concerts and pageants. Many of these productions are staged with the traveling especially in mind. Performances take place in almost every section of the country.

The Carter Barron Amphitheater series, held in Washington D. C.'s Rock Creek Park, will continue through Labor Day. Features include symphonies, ballet, opera, Broadway musicals and an ice show. The Hollywood Bowl's famous "Symphonies Under the Stars" runs through August, with world-renowned guest artists and orchestral conductors appearing. One of the most beautiful outdoor theaters in the country is Red Rocks, just outside Denver, Colorado. Programs at Red Rocks this summer include symphony concerts, a dance and choral festival and appearances by top classical and popular singers.

The Cincinnati Zoo Opera Pavilion will be the scene of "Opera Under The Stars," with an exceptional roster of music drama and top-flight singers highlighting the 34th season. An eight-week season of "Music Under the Stars" is scheduled for Grant Park on Chicago's lake front. This summer's line-up at San Diego's Balboa Park Bowl includes such presentations as "The Mikado," "Wonderful Town," "Brigadoon," "Kiss Me, Kate," "Song of Norway" and "South Pacific."

Other outdoor summertime entertainment events will draw crowds to Philadelphia's Robin Hood Dell, Rochester's Highland Park, St. Louis' Forest Park and to the Starlight Theater in Kansas City, Missouri.

of the world, practically all knowledge about it, including the cause, was discovered in America by Americans. Tularemia takes its name from Tulare county in California, where it was first found in 1910.

Illness Is Severe
Hunters, marketmen, housewives and others who dress wild rabbits and other wild animals with their bare hands are particularly susceptible. The causative germ may enter the body through a cut or abrasion in the skin, thus getting into the blood stream and internal organs. A severe ulcer may form at the wound, no matter how slight in size. The lymph glands become inflamed, and the patient is intensely sick, having a severe

headache, chills and other pains as well as a very high temperature.

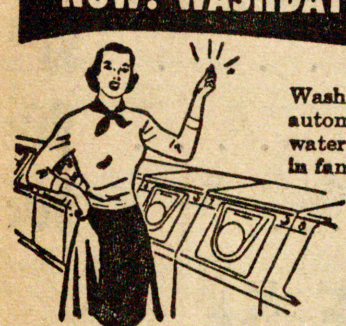

skin is unbroken. **Cooking Destroys Germ**

All persons handling rabbits should be cautious and, certainly, the animals should be properly cooked, since thorough cooking will destroy the infection. Although some of the newer drugs have been effective in controlling the infective organisms causing tularemia, many fatalities still occur among human beings. Pneumonia is also a complication of the disease, and convalescence from a siege of tularemia is slow, often requiring several months.

Hunters have been advised to protect their hands by wearing gloves, since the skin can be torn by barbed wire and briars. However, this precaution is not completely safe, because scientific evidence is available indicating that tularemia is transmitted to man even though the

Rabbits are noted for their quickness, so those who are slow in moving and obviously sluggish should be suspected. So hunters and others handling animals take care. Be quick to be ware of the sick rabbit and the hare.

Autumn Color Trails Beckon Motorists

For a last glorious glimpse of nature before winter sets in, follow the "autumn color trails," advises the Chicago Motor club. Delicate yellow and tan pastels, flaming reds and scarlets, deep oranges and browns blend into a riot of color along the highways. For studies of a few trees or the thrills of long vistas, early fall presents spectacular displays.

What brings out these varied autumn colors? The yellow and orange are there all summer unnoticed because of the green chlorophyll. With the end of the growing season, the green is withdrawn and stored for the next season. The most delicate pastels and brilliant hues are formed by sugar content of the leaves left after the growing season. While frosts are not needed to turn the leaves, they do hasten and accentuate the coloring.

Barrage of HUES
In northern Illinois and Indiana and southern and central Wisconsin, the leaves usually begin to turn in late September and the first days of October, reaching full color about mid-October. In southern Illinois,

the season is about two weeks later. While this barrage of hues and tints meets one almost everywhere, the motor club's travel bureau suggests a few trips of outstanding merit.

West of Oregon (Illinois 64 & 2) is White Pines State Park, the state's only stand of virgin white pine. These trees, towering 90 to 125 feet, mingle with a variety of hardwoods. The hardwoods' colorful leaves against the dark green of the pines form splendid views.

Starved Rock (Illinois 71) between Ottawa and LaSalle, is another beauty spot. Here the rock formation rising 140 feet above the Illinois river presents glorious view in this season.

Scenic Drive
North of Savanna (Illinois 80) rugged cliffs rise majestically above the Mississippi river to form the spectacular Mississippi Palisades park. Here the panorama of the tree-lined river is unusually attractive in the fall.

Another scenic drive is along the Rock River between Dixon and Rockford (Illinois 2). Here the scene is continuously amazing and grows more spectacular the farther one goes.

Turkey Run (U. S. 41) is one of Indiana's most enchanting spots. More than 2,000 acres of

woods and canyons present a brilliant display of color.

In Wisconsin's famous Dells, the Wisconsin river, over thousands of years, has gouged deep chasms and striking rock formations. These form a picturesque backdrop for the gorgeous coloring of the autumn woodlands.

Warn Hunters Against Danger Of Tularemia

With the advent of the hunting season, great precautions should be attempted against tularemia, one of the severe diseases transmitted by animals to man. The popular term "rabbit fever" for this condition is actually a misnomer, since the infection is spread not only by rabbits, but by rodents, fleas, ticks and lice, the educational committee of the Illinois State Medical society observes. Health Talk However, it has taken this name undoubtedly because of the number of rabbits, particularly cottontails and wild hares, shot during the hunting season.

Tularemia has been called the all-American disease, for, although it is found in many parts

Mechanical marvels mine most of the coal in the United States, such as the 200-foot-long "corkscrews" that bore into hillsides and bring out coal that can be reached in no other way. These augers, to give them their right name, work just like a brace and bit to draw out the coal and dump it on conveyors that carry it to trucks to be hauled away.

Peabody No. 10 in Christian County, Ill., the nation's most productive deep coal mine, produced in 1954 at the rate of 16,000 tons per day.

The leading producer of bituminous coal by surface mine operations, Sinclair Coal Company of Kansas City, Mo., has reported total 1954 production of 8,320,690 tons, or almost 9 per cent of all the coal mined by stripping last year.

Mr. and Mrs. J. F. Patric, Potowatome drive, enjoyed a successful fishing trip to northern Minnesota, the past two weeks, bringing home with them 72 pounds of Northern Pike and Bass. The most important part of the trip for Mrs. Patric was when she caught and landed an 11 pound 10 ounce Northern. Last year, her son Gordon landed a fourteen pound, six ounce Northern. They returned Saturday.

Mr. and Mrs. Roman Nowicki had as their guests Sunday, Mrs. Jetta Glow and children of Momence, his uncle Anthony Lick of Chicago, and Mr. and Mrs. J. F. Patric.

Edward Hollenbeck and William Stoner took the boys of the 5, 6, 7 and 8 grades of Schmuhl school to Chicago Sept. 23 to see the Powerama show at Soldiers field. The boys were Don and Joey Miller, Dan Owen, Bruce Hollenbeck, Carol

Bogatius, Dennis Neer, Ed Heitmann, Harry and John Kooyenga.

Mr. and Mrs. Richard DeNario spent Saturday evening in Chicago where they had dinner at the Won Kow restaurant in China town, and then saw the Cole Porter musical Can-Can at the Shubert.

Miss Doris Coeger and Mrs. Fred Cullum of Ferndale, Mich. were weekend guests of Mr. and Mrs. William Hocker.

Earl Dieken motored to Clifton Sunday to visit his mother in the Central hospital there, and to see his father in St. Mary's hospital in Kankakee. His parents were involved in an accident recently. His mother will be hospitalized at least another month, as when she got up it was discovered that her pelvic bone was fractured, and she had to be put in traction. His father, who was quite seriously injured, will also be hospitalized for some time.

Roman Nowicki returned to

his work Monday following a week's illness.

Don't forget the Community club meeting Friday night Sept. 30, the first fall meeting at 7:30 p.m. Hostesses, Mrs. Elmer Smith Mrs. William Stoner and Mrs. Phillip Trieme are asking those who attend to bring cup cakes and pop for the children. 1. We'd like to show you some of the things that make the Ford one of America's finest cars . . . though it's one of the lowest-priced. Let's start with these long, low lines. Looks like it hates to stand still, doesn't it?

Let's take a walk around the NEW '56 FORD!

It's the fine car at half the fine car price!

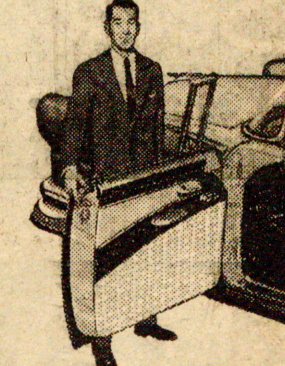

4. The new 202-h.p. Thunderbird Y-8 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 176-h.p. Y-8 in Fordomatic Mainline and Customline models, or Ford's new 137-h.p. Six is available in any model.

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing . . . to give you added protection in case of an accident.

3. Here's what you ride on. This frame has five cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.

7. Here's Ford's new Lifeguard door latch. It is another member of Ford's new Lifeguard family. A double-grip locking engagement reduces the chance of doors springing open under unusual strain of impact. Chances of serious injury in accidents are less when passengers remain in the car.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. When you do, you'll know that Ford is the fine car at the fine car price.

Reader's Viewpoint

Citizens:

In last week's paper it was noted that some of the people of Tinley Park propose building an Imhoff tank in Parkside. Parkside, wake up! Do you know what an Imhoff tank is? It is getting to be quite a big What it boils down to is a souped-up septic tank. A place where sewerage is accumulated and the runoff water disposed of by extended underground seepage pipes filtering the water into the soil. This solution to a stinking problem is just a little bit better than the existing separate septic tanks at each house for the following reasons. Parkside is getting to be quite a big section of town with a considerable number of homes. It will take a very large Imhoff tank to take care of the area, assuming that it could be put into operation before the Chicago Sanitary builds a trunk line to Tinley. What will happen to the nice big tank when Chicago Sanitary connects into your already existing sewers? Possibly a plaque can be put on it with the wording: Here stands a monument to Impatience, a lasting white elephant dedicated to the poor put upon tax payer, who as a general rule doesn't care where his tax dollar is spent and won't even so much as gripe anymore. More could be added to this grave stone to public duty. This eye sore is also dedicated to the veterans who were men enough to trim the Axis to size, but who are now willing to sit upon their haunches and let themselves be led like little boys and girls in whatever direction the old timer ruling clique decides is best for them. Again I say Parkside wake up to the facts of life in Tinley Park. Whether you realize it or not you big brave veterans don't have to be pushed around by any ruling faction anymore. Money seems to talk in this town. Any one with any amount of money has just as much vote at election time or voice in the village board meetings, specifically one vote. By the way are you a registered voter? All it takes is about five minutes of a persons valuable time to get that way. With your accumulated vote you could swing every election in Tinley Park. That is if you could pull together and stop being so jealous of Bill Spivens because maybe he's getting a little ahead of you. Hold him down to the common level if you can seems to be the rule. You all have the same problems at least on sanitation. You seem to take the attitude in Parkside that you are a little bit better than the rest of the town because you live in a poor man's Park Forest. You do live in Tinley Park whether you care to admit or not. Your problems are the rest of the towns problems too. Sake loose from Chicago or wherever you came from. It takes more than having your carcass in a town or drinking beer with the neighbors in front of your television to be known as a good citizen. A home in a town, any town, is more than a place to sleep nights. Move back into a furnished flat if that's all you intend doing while living in Tinley. Your spirit has to be moved also. If your not going to take part in a town's activities then spiritually you still live where you did before moving into the town. The people that

have lived here any length of time have developed a very bad case of civic rigor mortis and they're practicing beyond hope, but the young people are not. The general attitude seems to be in the town to let George do it. Now poor Georges are few in number and are getting more than weary due to public apathy. You find a few good old Georges that are crooks and stay in power due to this apathy. Now if a few of the brave veterans that faced shot and shell would stand up at the village meetings and let themselves be heard then they might be elected to office if brave enough. The attitude in this enlightened progressive day and age is to follow the path of least resistance and use the current golden rule of do nothing, say nothing, be nothing and you will always avoid trouble and not be controversial. If Patrick Henry could arise from the grave he wouldn't recognize his sons and daughters. Mr. Henry would probably be considered a rabid rascal today.

In my opinion the cheapest thing the town could do is get the Chicago sanitary trunk pipe built out to Tinley from the nearest disposal plant as quickly as possible. The farmers involved in the district would benefit also. The sooner the sewer system is installed the quicker their land values will go up. The sooner their land values go up the quicker they can sell their farms and realize profit without being taxed out of existence. Taxed out you farmers are going to be. You had better make your hay while the sun shines.

If a committee could be organized to attend every meeting of the Chicago Sanitary Board and give them a bad time about speeding up the trunk line it would probably bring it out and soon. A state man working at the Tinley hospital told me that since the increased state tax went into effect the state has much more money to work with. This additional revenue will no doubt bring a trunk pipe to Tinley much sooner than in other newly formed districts in years past. Let us make sure Tinley gets the benefit of this revenue. The iron is now before the tax revenue is completely drained off for other purposes. With winter almost upon us it will be spring before any building can be started on a sewer plant or the trunk line. A definite solution should be arrived at during the long cold winter and construction should be started next spring without fail. It's up to the Georges to make sure something gets started and finished but fast. An epidemic would decimate the kid population including Tinley, Oak Forest, Midlothian, and Robbins. If the Chicago Sanitary trunk line is decided best and I believe it will be because it will be cheaper in the long run, then let's leave no stone unturned to get it out here.

Information Now Available on New Threat to Cattle and Swine

A circular on "Leptospirosis in Cattle and Swine", believed to be the first published by an agricultural experiment station in the United States, has been printed at the University of Illinois.

It was written by Dr. H. S. Bryan of the college of veterinary medicine, says William F. Whiteside, Cook county assistant farm adviser. You can get one at your farm adviser's office or by writing to the college of agriculture, Urbana, for Circular 750.

Dr. Bryan says that leptospirosis has become a major problem in the nation's livestock industry, it was first identified in Illinois in 1947. In the past three years, blood tests made at the college showed that 77 counties had infected herds.

May Affect Humans
Abortion is the main symptom of the disease, and in swine it may be the only symptom you see. Cattle and swine infected with the severe form may die

rapidly. In addition to causing losses in livestock and livestock production, it may affect humans.

Caused by spiral-shaped bacteria, leptospirosis is spread thru the urine of infected animals. In acute form the germs are present in blood and many tissues of the diseased animal. In the chronic form, the bacteria are localized in the kidneys.

Other symptoms occurring primarily in cattle are depression, loss of appetite, high temperature and loss of weight. Blood is often passed in the urine. In dairy animals, milk production may drop sharply, and the udder secretes a thick, yellow, blood-tinged fluid.

To control leptospirosis, the circular says to consult a veterinarian for accurate diagnosis, isolate acute cases, pasteurize milk, use blood tests to detect the disease, and prevent urine contamination of feed and water supplies.

Navy Launches New TV Program; Is Weekly Show

For the information of the general public, the navy has announced the commencement of a weekly television series, Navy Log.

Navy Log is a new series of half-hour weekly dramatic presentations based on true incidents in the service lives of Navy people. Tho, all backgrounds and materials used in the production of this series are authentic, the programs are not merely documentaries. Each one tells the moving human story of some incident of trial or triumph, courage or camaraderie in the life of a Navy man or woman. The series will be seen over the CBS television network Tuesday nights at 9 o'clock central daylight saving time.

Stinging Nettle Is Nature's Own Hypodermic

People don't seem to get it thru their heads that they should be appropriately clothed when they visit forest preserves and expect to enjoy a walk thru the woodlands. Woolens, tweeds, or soft-textured garments will be covered with burs, sticktights and "bigger lice." Denims are perfect. Bare-legged people will suffer not only from mosquitoes, flies, thorns, briars, and possibly poison ivy, but also from the stings of nettles.

Alistaire Cooke, writing about the American summer, said that out of ten people he polled, only three had even a remote idea of what a nettle is. It is a plant you seldom notice but you sure feel it, particularly among the luxuriant waist - high undergrowth in woodlands on rich black moist soil.

Wading thru this vegetation, one may experience a stinging burning sensation on your legs and arms but it's hard to find the miscreant because its poison is not felt immediately. That poison contains the formic acid also present in the stings of bees and ants. The quickest relief is obtained by mashing the leaves of sourdock or other acid plants into a pulp and smearing that over the skin. The slimy juice of the jewelweed is another remedy.

The stinging nettle has thousands of poison-loaded hairs which antedated, by millions of

National Tea Co. Sales Increase; Has New Stores

National Tea Co., continues to pour on sales increases at the rate of nearly a million dollars a week, according to H. V. McNamara, president, who today reported a 34 million dollar increase in sales for 36 weeks of operations. Sales for the year to date, ending Sept. 10, total \$385,019,828 as compared to \$351,293,166 for the same period of a year ago, for an increase of 9.60 per cent.

National Tea Co.'s consolidated sales for the four week period ending Sept. 10, 1955, were \$42,595,825 as compared with \$39,192,224 for the same period of 1954 - an increase of 8.68 per cent.

"These sales increases," McNamara stated, "are the result of our continued aggressiveness in promoting the business and internal expansion among our various branches, inasmuch as none of the sales results reported to date include any new acquisitions. Sales figures for new acquisitions of the H.A. Smith food chain in Michigan and the Montesi food chain in Tennessee, announced on Aug. 23 and Sept. 4 respectively, will not appear in the parent company's figures until we have taken over physical operation of these two chains, and all legal procedures have been dispensed with. The acquisition of these two chains should bolster our sales another \$25,000,000 annually and will be first reported in October."

Through group instruction meetings, the American Red Cross last year provided safety information to an average of eight persons per minute,

(Costs less to buy—yet you get the cleanest, fastest, driest heat there is!)

Hanging up a big, heavy wet wash is one of the hardest jobs your wife does.

And what for? Today you can buy an automatic electric dryer for as little as \$2.43 a week, including installation!

An electric dryer does more than save work. You can dry a big wash for a few cents. And, electric heat is the cleanest heat there is. So everything comes out smelling sweet and fresh.

In many cases, the installed price of an electric dryer is so reasonable it's your best buy. And when you buy electric, you always get an automatic dryer.

Stop in and see your dealer or our stores for a look at the latest models. Washday will be easier at your house if you do.

NOW LOW AS \$2.43 A WEEK WITH NEW SHARE-THE-COST INSTALLATION PLAN

When you install a new electric dryer, we share the cost of necessary wiring. You can save important money with our New Plan. For example, in a 1-family home, electric dryer installations now cost only about half as much as before. The Plan is available at all electric appliance dealer's. Yours will tell you how much you save. And you get more than a money saving. Your TV picture improves, lights brighten—everything electrical works better. And you can install an electric range, water heater or air conditioner (that requires a 240-volt circuit) quickly and cheaply.

MOKENA
Mokena 3521

The St. John's Sunday school will observe rally day next Sunday. Twenty-two pupils who are being promoted from the lower school to the upper school will receive new Bibles, and 81 will receive recognition of perfect attendance. The enrollment of the school is 272 with 34 teachers.

Mrs. Elizabeth Cappel returned Sunday from Silver Cross hospital where she was a surgical patient. She is convalescing in the home of her niece, Mr. and Mrs. Wesley Cappel and is improving nicely. Sunbeam camp 6054 Royal Neighbors of America of Mokena will meet with Mrs. Clara Schmidt, Tuesday, Oct. 4 at 8 p. m. It is desired that all members will attend. Friends in Mokena are receiving cards from Mr. and Mrs.

Walter Welsch which state they are having a grand trip. So far they have visited Luxemburg, France, Belgium, England, Holland and Germany. Are on their way to Denmark, Switzerland, Italy and other places.

The annual turkey supper at St. John's church will be held Tuesday Oct. 11. Mrs. Richard Erickson is general chairman on arrangements. Mr. and Mrs. Ted Watts of La Grange have rented the Bruhn cottage on 179th st. near Wolf road.

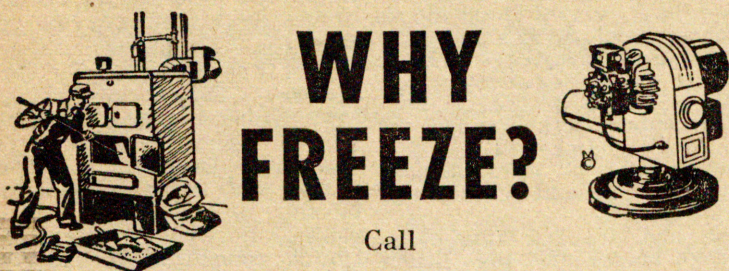

John Leo Marcoux, son of Mr. and Mrs. Leo J. Marcoux, has returned to the Morgan Park Military academy in Chicago where he is a sophomore in the upper school. The Youth Fellowship of St. John's church will have a hay ride to Messenger woods this Saturday evening, Oct. 1 starting from the church at 7:30. Two hay racks are being provided to make room for all who want to go. A weiner roast will be held as soon as reaching Messenger woods.

While Ralph Tilley was working in the barn recently at his farm home on 167th st., he slipped and fell suffering a cracked rib. Mr. and Mrs. Cecil Hale and family have moved from the Bruhn cottage on 175th st., to the Ralph Tilley house on 191st st.

Mr. and Mrs. Hugo Neithamer will leave Sunday morning for a several weeks motor trip to their daughter, Cpl. and Mrs. Don Reiter and son. On their return they will bring some of

the Reiter's belongings as Cpl. Reiter will soon receive his honorable discharge from the service.

Mr. Robert De Forest, Mrs. Clarence Lauffer and Rev. and Mrs. William Riemann were delegates to the Chicago-Monee fall regional conference of the Evangelical and Reformed churches of this area held at Trinity church, Berwyn, Tuesday. The church council of the Mokena church attended a consistorial dinner held at the same church in the evening. Those present were David Noble, Rudolph Engelhardt, Harold Baker, Herman Lorenz, Lawrence Istel and Hans Mue

HOMER

Lockport, R. 1

Telephone Lockport 1387M

The Mothers' club of Ross school held the first fall meeting with Mrs. Clarence Molkenite, Parker road. Wednesday evening, Sept. 21, with Mrs. Harold Wormley as co-hostess. Election of officers resulted in Mrs. William Platt being made president; Mrs. Alvin Welter, vice president; Mrs. Grace Mottinger, secretary; and Mrs. Molkenite, treasurer. Refreshments were served by the hostesses, Mrs. James Weeks, Sr., and Mrs. Platt will entertain the group in October.

Word has been received of the death of Mrs. Grace Piggott, a former Homer resident, at Cook county hospital Sept. 7. Services were held from the Maloney Funeral Home on Chicago's north side. Several friends from here attended. Surviving are a son, Eugene, and an infant grand daughter.

On October 3 at 1 p.m. the executive board of the Lockport Council of Churches, of which Homer church is a member, will meet at Homer church to plan for the World Day of Prayer. Mrs. H. M. Finley, vice president of the Council, will preside in the absence of Mrs. Irving Gaines, president, as she will be out of town at that time. Miss Myra Reed, Mrs. Robert Burch and Mrs. Ira Anderson will be hostesses to the representatives of the Lockport churches who compose the board.

The Wayside Workers circle of King's Daughters will meet with Mrs. Harold Finley Thursday, Oct. 6 at 1:30 o'clock with Mrs. Willard Rowley as assisting hostess.

Mr. and Mrs. Wrey White spent several days at their summer camp in Michigan last week.

Mr. and Mrs. Claude Colegrove of Goodings Grove are announcing the marriage of their daughter, Carollee to Cpl. George W. Slager of Orland Park, Sept. 17, at Orland Park. The couple are residing at Ft. Leonard Wood, Mo.

Mr. and Mrs. Walter Konow and Otto Konow, Sr., and daughter Lila are on a fishing trip in northern Michigan.

Mr. and Mrs. Lewis Barr are vacationing at a northern Wisconsin camp.

Several Homer people attended the horse show at Dellwood park last Sunday afternoon.

Mr. and Mrs. Willard Rowley, Jr., and sons of Princeton spent last week here with relatives.

Mrs. Emma West and Mr. and Mrs. John West, daughter Judy, attended a picnic in a Chicago Park last Sunday, for former Albin, Ill. residents. Albin was Mrs. West Sr.'s home town.

Mr. and Mrs. Joe Warren entertained at a birthday dinner in honor of his and their son, Mike, who celebrated their birthdays the 28th and 29th respectively.

Mr. and Mrs. John Reiter are on a motor trip through the south. Their itinerary will include the attending of their son, John's, wedding in Florida.

Mr. and Mrs. Bernard Lazaar and sons of Chicago and Mr. and Mrs. Sam Friedman and daughter of Palos Park visited last Saturday night in the Harold Drewes home. They ate a picnic supper together.

The Sunday school teachers of Homer church met Thursday evening to plan promotion day which will be Oct. 2. Two new classes will be formed with Miss Mary Buck and John Hollister

in charge for the time being. A class for young high school people and a new intermediate class will better accommodate the age groups.

Walter Boyce has returned to his studies at Blackburn college; Marv Buck and Rita Rodgers are attending Joliet Jr. college and Joyce Habenicht is a nurse trainee at a Chicago hospital.

Donnie Cagwin has returned to his work at LTHS a ter on the Illinois Fair circuit exhibiting his 4H cattle. Among the places where he showed, were the Joliet Pageant of Progress, Taylorville, Melvin, Kankakee, Georgetown, Peotone, Henry and Mazon. He is an interested member of the "Ag." class which was started this year at the high school.

The women of the Congregational Churches of Aurora Assn. will hold their Fall Rally at Homer church Oct. 12 beginning at 10:30 a.m. An interesting program has been planned, which will include a talk by the state president, Mrs. Black, a playlet by a group of talented women, and special musical numbers. All Homer church women are urged to attend. Luncheon reservations should be made with any Missionary society officer by Oct. 8. These are Mrs. Wrey White, Mrs. Frank Parker, Mrs. Guy Bump and Mrs. Ira Anderson.

ALPINE

Mrs. F. Mynack
Orland 2841-R

The Maue PTA, a member of the South Western Area council, District 19, will hold its first square dance of the season, under the able direction of Robert Laing, of Orland Park. Sent. 30 at 7:30 p.m. at the school. From then on there will be square dancing at the school the last Friday of each month. Admission is free but there will be a small charge for refreshments.

Children will be asked to sit out every third or fourth dance so that grown ups may take a turn at tripping the light fantastic. So, come on you square dancers—let's show them we still know how to dance.

Den 5, of the Cub Scouts, had a nice meeting Thursday afternoon in the home of Den mother Mrs. John Cruise. A new boy, James Nemeth, is joining the den, and everyone is sure he will like being a cub scout.

The boys plan to visit a turkey farm in a week or two. Several members have their uniforms and in a short time the whole den will be in uniform.

This is the first den in Alpine and it is hoped there will be several more in the future.

New residents in the community are Mr. and Mrs. C. Nelson who have moved into the house

formerly occupied by the James Thackers on 167th St.

Maue school children were given a holiday from school Friday because their teachers, Mrs. Mienert and Miss Shoemaker attended teachers institute in LaGrange.

There will be a meeting of the Alpine Girls 4H club at Maue school Monday evening, October 3, at 7:30 p.m.

The Jolly Nine club will meet at the home of Mrs. Emery Bettenhausen this Friday.

Mr. and Mrs. William Rahm had as their dinner guests Saturday evening, Mr. and Mrs. Oran Deist and family.

David Bettenhausen, son of the Lloyd Bettenhausens, celebrated his ninth birthday recently. In his honor his parents had a well-roast at his home. Guests were his grandparents, Mr. and Mrs. William H. Bettenhausen and Mrs. Elizabeth Wischover of Frankfort, also Mr. and Mrs. Leonard Warning and family of New Lenox. David received nice gifts from the group.

The Women's Guild will meet in St. John's church parlors today, Sept. 29, due to the chicken supper they will have on their regular meeting date, Oct. 6. Mrs. Gilbert Sippel will preside. The worship chairman is Mrs. Orville Jures and the topic is "What Am I Working For?" The visiting committee for the remainder of this year is Mesdames, Reuben Schmidt, Arthur Sippel, and Wil-

liam Wanner. The hostesses are Mrs. Christian Asbrand, Mrs. George Bobzin and Mrs. John Bisping.
